
An antiquarian bookseller may have recently unearthed the only known copy of Mein Kampf in Tamil. It is believed that this book was buried by a Nazi sympathizer in one of the mass graves at Sri Lanka's World War II battlefields. The Tamil translation is not considered completely accurate due to the differences in connotation and context between Tamil and German, but it does make for an interesting read nonetheless.

1.) Why did you go into journalism? 2.) What is your favorite article at Thought Catalog? 3.) Who are your favorite authors? 4.) What are some strategies for overcoming writer's block? 5. What is your favorite thing about Thought Catalog? 6.) If you could name one book you thought was very important, what would it be? 7.) What's the best idea you've ever had? 8.) If I were to take away one tip from each interview, what would they be?

1. What time do you wake up in the morning and when do you go to bed at night? 2. Who is your hero in fiction? 3. What are some books that inspire you in your writing career? 1. How old are you and when did you learn to read and write English? 2. Why did you choose to translate Mein Kampf? 3. What was your first language and how do you think that might have influenced your translation of Mein Kampf? 4. Do you think English is an easy or difficult language to translate? 5. What was your first job after college? 6. Who are some of the people who inspire you in life and the way they live life? 7. If I had to give any advice to younger writers, what would it be? 8. Of all the things that make up Thought Catalog, what do you like best about working here? 9. What's been the highlight of your career so far? 10. What does your future look like? 1. What was your favorite part about working on this project? 2. How long did it take to complete the project? 3. Did you have a specific target market or occasion in mind when translating Mein Kampf for this book? 4. Are you a German speaker and if not, how did you learn to translate from German to Tamil? 5. Do you think other languages besides English and Tamil should be translated into English as well? 6. Why should people buy this book as opposed to reading it online for free on Thought Catalog or anywhere else online for that matter? 7. Who are some of your favorite Tamil authors? 1. Are you also interested in translating other non-English books into Tamil? 2. If you were to make a hobby of translating books from other languages, which book would you start with and why? 3. Translating something like Mein Kampf must have been challenging because English and German are such different languages. How difficult was the translation process and what parts did you find most challenging? 4. Is there any specific reason why you chose Mein Kampf to translate to another language, or do you just like Hitler or what he had to say in that particular book? 5.
