Check out these bonus tips and tricks, including new details on fan-made map, Herr . Dec 7, 2553 BE Herr Weimer • Posting from United States — but I don't care. Dec 7, 2553 BE Today is 4th of December. I still have about two days to finish all of the challenges on AODL-MW2. So, I am trying to spend as much time as possible . Nov 22, 2553 BE glyn • 1 year ago. The one running on medium is my game. It's been running since MW2 came out. Dec 10, 2553 BE glyn • 1 year ago. Now I'm on a low one. I'm also having a lot of trouble with the game crashing. It's never done it in the past, and it's only happened on a specific day. It's happened at around 7:00 AM PST. Dec 10, 2553 BE glyn • 1 year ago. Dec 10, 2553 BE glyn • 1 year ago. What is your running on? Dec 12, 2553 BE glyn • 1 year ago. This is my first time trying to do AODL-MW2, so I'm not quite sure what's going on. I am currently on a mid-high. The last couple days, my game ended after I'd killed each one of the three guard dogs. Dec 12, 2553 BE glyn • 1 year ago. This happened right before I killed the last of the guard dogs. The game crash would occur with just the last dog. If I killed the dog right after it died, the game wouldn't crash. I've been restarting it, but it's been happening for almost 3 weeks. Dec 14, 2553 BE glyn • 1 year ago. I've tried running it in offline mode, but it wouldn't work. I was getting the black screen of death, and no way to play multiplayer. I've tried it with the USB ports of two computers, and on the same computer. Dec 14, 2553 BE glyn • 1 year ago. My PS3 is kind of a step up from the others in the house. My brother and I use it when the other isn't busy and there's a game we want to play. Dec 16, 2d92ce491b
