I understand the industry, the products, the ingredients, and the marketing behind them. And most importantly, I love being a beauty enthusiast. Over the years I have tried all kinds of things, and I've come up with some pretty interesting and even wacky results. I don't claim that my cosmetic adventures are exhaustive and definitive, but I do know what works and what doesn't. This blog is all about my take on the beauty world. I would love to hear from you, so feel free to email me any beauty questions, comments, or feedback at perfectionist@gmail.com. It's been almost four months since the last episode of Game of Thrones. Fans have been patiently waiting for the show's sixth season to premiere on April 24th, and series stars are finally ready to talk about what's to come. I spoke with David Benioff, D.B. Weiss, and Sophie Turner at the world premiere of the fantasy drama's fifth season at the Tribeca Film Festival about the season finale, the future of the story, and whether they're surprised at how many viewers actually finish the series. "You have a wonderful people-watching show that really takes advantage of the fact that it's on a TV that can do anything and can go anywhere," Weiss said. "I mean, we always had a plan. We didn't have a plan to do six seasons. The sixth season is actually when we decided that we wanted to start a book. We don't want to go too long. The show is really about season to season, so if you can keep it fresh, and we want to do more." "There's a season three book
