Download Resident Evil 4 v1.0.0.1 Instructions for using the trainer:
Step 1: Open the game, Step 2: Run the trainer and wait until the trainer is loaded. Click on the name of the trainer, select your trainer from the list and follow the instructions in the game. If you are continuing the game from where you closed it before, you have to change the file `../resiut/resid4/environment/trainer/trainer.zip` to `../resiut/resid4/training.zip`. If you continue the game by choosing the trainer you found first, you have to change the file `../resiut/resid4/trainers/trainer.zip` to `../resiut/resid4/training.zip`. (For example, to use the trainer v1.0.0, put it into the folder Trainer) To remove a trainer, delete it from the directory Trainer. Do not delete the folder Trainer, otherwise, not even the `. RESIDENT EVIL 4 Trainer V 1.0.0 Redemption part 2 trainer | Disguising as Resident Evil 4 Online | Character information Character Items Masks and masks Heal Weapons Heal Items`. For a good progress, you will need at least 3 heal items. The best trainers for survival horror games usually contain a lot of in-game resources. This trainer contains: For additional information, you can go to the item manufacturer or to game sites to find the `AP Trainer v9.4 | Resident Evil Code: Veronica..
