does not pay him for the work he performs for him. Lazaro Francisco. daluyong ni lazaro francisco pdf download That's why, it seems, many of the rural poor are also wedded to the land, which they see as a cradle of their livelihoods, and which they consider as the most solid part of their heritage. See also References Daluyong ni Lazaro Francisco. A novel about land. "Many a mother washes her child's mouth, where the poo comes from, the child will be clean." That's what they say here in the land where, through the marvel of divine providence, there is only one family in one home. It is a land where, for years, the landowner has been turning over a good part of his ancestral domain to his people, giving them free access to their natural resources. and best of all, the government has likewise taken up the social responsibility of providing for the basic needs of the landless in the form of free education,
