#### LingvoSoft FlashCards English French Crack+ Free License Key For PC

New features and improvements in our latest LingvoSoft FlashCards English French application, we made it compatible with Windows 98/ME, and added Spanish, Russian and French words to the software. The Spoken Flash Cards application, FlashCards 9, has been re-written from the ground up in order to work on Windows 98 (and MSME) platforms. Spoken FlashCards 9 now supports display rotation, bookmarking, undo, revised game rules, alternate pronunciation, and French, Spanish, and Russian word lists. In addition, it includes a new Sound View option that lets users listen to the pronunciation of a given word using native Microsoft or Nuance Basic Sound. The newest version of LingvoSoft FlashCards English French, LingvoSoft FlashCards English French 7, which is a follow-up of LingvoSoft FlashCards English French 6, is built on a new, object-oriented, scalable, and extensible framework that allows for more and better future enhancements. It supports the following features: + New display mode: spoken word. The program now supports pronunciation of a given word using Nuance Basic Sound. + New Words in the word list: a new set of 2,000 high-frequency words that were compiled from a specialized database of 50,000-word lists. + New spelling, abbreviation and glossary dictionaries. + Revised game rules. + A new option for vocabulary management allows users to use a minimum, fixed or incremental vocabulary size. + FlashCards can be created and saved. This gives users the flexibility to create different vocabularies, and also allows them to save their flashcards offline. + Spell It Right! game (new feature). + The program now includes a new option that allows users to review spelling results of the application. + The program now supports customized dictionaries, with which users can edit and customize words. + Keyboard shortcuts: the program now supports Quick-Set hotkeys. + A new revised interface layout. + French, Spanish and Russian vocabularies. + Language packs and dictionary packs can be downloaded from the LingvoSoft website. For support and more information, visit [www.lingvosoft.com](http://www.lingvosoft.com). System requirements: Windows XP-Vista - any number of processors with at least 1GB of RAM. For Windows 2000 or Windows ME, flashcad9.exe will require a 2GB disc. Limitations: L
