LINK: Game Time Race Why do players like to play Games and what is so special about them?. But what do the Games manufacturers and how much do they make in revenue from all this?. Burlington Packers president John Badalementi had to literally step back and watch his team fall 10-0 to the Olympia Lions Thursday at Boyne Highlands. Badalementi and his entire staff were on vacation for the game, and left all operations in the hands of assistant coaches. Badalementi was back in Burlington Thursday afternoon. This is the first time he's been away from Burlington since he took over as Packers president in May 2011. "I'm not going to lie," Badalementi said. "I was like I'm not ever going to get away from this ever again." The Packers finished 5-3 last year, but were 6-4 in 2010, and 7-3 in 2009. They're looking to improve on that, especially because they haven't won a playoff game since 2008. The Packers scored their only touchdown midway through the first quarter when Drew Peeters ran 30 yards for a touchdown. However, the Packers would go on to lose by a final score of 10-0. The Lions were helped by a safety on the opening kickoff. Then on their second possession, a blocked punt was recovered by Ethan Green in the end zone for a touchdown. On the very next play, quarterback Drew Kress threw a touchdown pass to Max Hansen on the way to a 16-0 lead. The Packers' first touchdown came on a blocked punt return for a score. Kress threw a touchdown pass to Matt Wallace, and the Lions were already up 10-0 after five minutes of play. The Packers defense was unable to stop the Lions, who were led by Gerhard Mueller, who ran for 103 yards. The Packers' offense also struggled. Badalementi said the offense looked "awful." That's hard to believe with the number of NFL-caliber receivers on the team. "We came out and we were awful," Badalementi said. "We could not take care of business and that's not the Packers. That's not what we do." Even with all the receivers on the roster, only four 570a42141b
