County has been running since May 2016, and in the first 2 years, Westchester Power's program rates have outperformed utilities and saved residents over \$15. The Westchester Water program now provides savings of nearly \$6 per month for a family of four since 2017 and nearly \$8 for a family of five since 2019. Through the Westchester Power program, in addition to savings on utility bills, residents can save up to \$30 per person per year on electricity and water bills.
