BuxBot is always improving, and you get all the updates for free ? Free and fast support Limitations: ? Only 5 link slots (20 in the full version) ? 20 Minutes until product expiration. <http>

System Requirements For BuxBot:

FAQ I've downloaded AOS, but it doesn't work. Why? If you have AOS 3.3.0 or earlier, you need to update your database to 3.3.1 or later. You can do this by using the command line: # Install AOS 3.3.1 Update # 1 (Stable) # Install AOS 3.3.1 Update # 2 (Draft) When you run AOS, it should now be working fine. If not, please check your version of SQLite database.
