### What's New in the Photoshop 2021 (Version 22.1.1)?

\* • The Curves tool lets you curve your image to determine the brightness of the center of your picture. \* • The Hand tool allows you to draw directly on your image. You can, for example, draw a frame for a picture or use it to draw your own font. \* • The Pen tool allows you to draw precise lines and circles on your image, and the Freehand tool allows you to draw freehand on your image. The Eraser tool lets you erase unwanted lines or shapes. \* • The Stamp tool lets you apply a template or pattern to your image. \* • The Stroke tool lets you draw lines, rectangles, circles, and other shapes and sizes. You can also create a selection box by activating the Stroke box around an object. \* • The Text tool lets you add text or text effects. You can type text in a box using the standard keyboard, or you can use any of the various fonts that come with Photoshop. \* • The Warp tool lets you distort an image. You can create a warping effect by using it to deform your image. Brushes A brush is a tool in which you paint a shape on your image. Photoshop provides 17 different brushes, each of which can be used for different effects. Here are the most common brushes: \* • Round and Square brushes. These work very similar to the Paint Bucket tool in Paint. They let you fill shapes in your image with colors or patterns. \* • The Pencil tool lets you draw on your image. This tool lets you draw freehand lines on your image. The Pencil works much like the Brush tool, which creates shapes, lines, or circles to fill in areas. \* • The Brush tool, which is the tool we have used in previous chapters to paint colors and patterns on our images. \* • The Paint Bucket tool, which allows you to select a color in your image and fill in parts of your image. \* • The Sponge tool, which lets you apply an effect by spreading your paint across your image. \* • The Eraser tool lets you erase unwanted areas of your image by painting over them. Once you've selected a brush, you can hold down the Alt/Option key and click on a different area of the image to select multiple areas. Click and drag the mouse to paint and draw shapes or lines on an image. Photoshop makes it easy to
