I have a UIView subclass and I want to apply a border/shadow around it. I am using drawRect as my view's method. Here is what I have tried: - (void)drawRect:(CGRect)rect { // Drawing code here. CGContextRef context = UIGraphicsGetCurrentContext(); CGContextSetLineWidth(context, 10); CGContextSetStrokeColorWithColor(context, [UIColor redColor].CGColor); CGContextSetFillColorWithColor(context, [UIColor redColor].CGColor); // 2D border around the view. CGRect outerRect = self.bounds; outerRect.size.width -= 20; CGFloat d0c515b9f4
