Halo: The Master Chief Collection PC Game is a.Menu Yellow - A Brief History Like the color yellow, Yellow flowers are large, showy, and yellow in color. This color has been found to be universally respected in all cultures, and anyone who has studied color psychology will recognize that yellow is a color of courage, power, safety, and a state of leadership and divinity. In ancient China, "yellow" meant a mandate from a higher entity that was meant to guide its human inhabitant. "Yellow is gold and silver," a saying from the days of yore went, "yellow is sage and virtue." Yellow symbolized safety, prosperity, joy, love, and a strong leader of society. The color also symbolizes prosperity, happiness, laughter, and good fortune. In China, the great were like the sun, and everything that they did had a "golden aura" about it. A yellow aura is a good omen when seen from the back, and is thought to bring financial gain, bring good things
