User reviews for Unknown Tales 2 "The basis for the game is good, the game is good. Unfortunately, the game is too slow and there are way too many bugs." 1 out of 10 people found this review helpful. "If you want a game that's simple and is aimed more at fun than originality, this is for you. It's not entirely the story that would make or break the game but rather the gameplay and the puzzles and this game will suit you well."
