The Collections A wide variety of our high quality
antique china sets from the Victorian era, English
export porcelain and Sèvres porcelain to the Arts and
Crafts era, and more. Some of our high quality
porcelain sets date back to the 17th and 18th century,
and are now found in the collections of museums and
important collections. All porcelain is being carefully
handled in our spacious and well-lit museum.

Handcrafted lacquer treatment gives a touch of
oriental chic to the pieces.Q: Custom C# collection I
was playing with how to make a generic C# collection
and I got a little confused. I'm trying to do: class
MyClass { public T[] myArray { get; set; } } And what
I'd like to do is to be able to create a collection that
stores instances of MyClass. A: class MyClass { public
T[] myArray { get; set; } public class
MyClassCollection : List<T> { } } Q: Invert the sort order
in C++? I'm building a game with C++ and SFML.
Here's a snapshot of my code. In my object-oriented
class, I define a sort method to sort the objects in

```
ascending or descending order depending on a bool
basc: void Sort(Player player, bool basc){ if (basc) {
std::sort(game.Players.begin(), game.Players.end(),
Player::ComparePlayerX); } else { std::sort(game.
