FIFA 22 is available for PlayStation 4, Xbox One and PC. Skill improvements have been made to "New Step-by-Step Control," while "Out of Bounds" has been enhanced to give a better and more realistic feeling. The "offside" line has been increased to give a greater challenge to players. "This marks the start of a new era for FIFA and the gaming community as a whole," said EA SPORTS Executive Vice President of Franchise Development Matt Bilbey. "FIFA is the world's most popular football videogame and this is no exception. With FIFA 22, we have made an even greater commitment to the competition, gameplay and feel of the sport. It's now up to players to make their mark on this latest instalment in the long-running FIFA series." "With player ratings, new ball physics and on-pitch intelligence, FIFA 22 will deliver a deeper, more authentic football game experience for players of all skill levels," said Nilim Das, Senior Director, Play Development, FIFA. "We've also added all-new elements to make FIFA more accessible and enjoyable for new and experienced players alike." More Details on New Movements in FIFA 22 Player ratings have been introduced that incorporate an extra dimension into the latest FIFA iteration. The ratings in FIFA 22 reflect the impact a player makes on the pitch by considering both the impact he has in the short and long-term, as well as his strength and intelligence. Ratings on-pitch intelligence for the movement of players and possession have been updated, and players will experience both movements in new ways. The strength and athleticism ratings have been adjusted for the most skillful players in the world. Evaluation of in-game intelligence has been enhanced. When players possess the ball, they will also experience more actions than before with the ball, such as dribbling, passing, shooting and more. Tactics will now play a greater role in team play and decision-making, especially at the start of games where players need to adapt their thinking. Defending has been improved to add more variety, while attacking has seen the introduction of new player

abilities to open up new tactical options. When attacking, players can now also set up their teammates in some of the most effective ways to score the most goals, as well as at the best moments to open up the pitch for the ball. "Player intelligence and gameplay has been

Continue your journey of individual greatness in the all-new Ultimate Team mode. Build your dream squad of players from over 35 legends, using exciting brand-new 'signature' skills and 'legendary' cards. Experience a deeper, more personal connection as you manage and train your players, just as you have in FIFA. The Journey Mode - This new mode lets you follow your club through single matches, complete seasons, or any other stretch you choose. Play out every part of your club's story. The Journey lets you play out specific matches in each of the 7-club, football leagues in FIFA. You can play any other fixture in your football club, but you are unable to play for 2 clubs simultaneously. FIFA Football - In FIFA 19, you could play in 3-on-3 tournaments, score a goal, and celebrate with friends on the same screen, but it was hard to know your place in the world of FIFA. In FIFA 20, your skill and ability to score goals will leave a mark on the footballing world. The more you play in FIFA, the more you'll learn about football. Soon, you'll be able to show off your own nickname, your achievements, and your support for your favourite team. Be part of the FIFA 20 family as you create your very own line up by creating your very own Ultimate Team. The more you play, the better your skills will get, unlocking further and further rewards. There are 19 playable teams this year and players are re-numbered from FIFA 19. KICKSTARTER BACKERS GET FIRST PICK AT THE CALL OF DUTY: This year, you'll be able to access every single mode in the game, and you can even be part of a beta. In addition to that, we're bringing you a brand new squad-building mechanic, that lets you create the best team for each situation, and a brand new single-player mode called The Journey, that lets you play through a full season of matches. (and you can play on either PC or PS4.) Expect as much depth as the biggest hits in videogames, and more than the game with the best graphics. EA SPORTS ANNOUNCES THE NEW DIGITAL EDITION OF THE CROWN OF COPENHAGEN, CONTAINS THE FIRST 5 MAPS FROM FIFA 19. J
