Eight-time FIFA World Player of the Year Lionel Messi says it best: “The new FIFA 22 game is even better than the FIFA 19 game released last year. What is even more important is the improved ball physics in FIFA 22, with better and more realistic behavior. It’s finally possible to play like a football player with the ball at his feet!” FIFA Ultimate Team FIFA 20 introduced 20 new cards, including 9 brand-new Ultimate Team Legend cards. The new Legend cards’ stats are inspired by the biggest names in the history of football: Pele, George Best, Alfredo Di Stefano, Franz Beckenbauer, Diego Maradona and Ronaldinho are just a few of them. FIFA 22 is also introducing more than 200 brand-new Legendary players and more than 150 all-time legends. The Ultimate Team Legends mode is getting even more powerful! FIFA 22 introduces a new card shop -- with more than 200 brand-new cards and 50 brand-new decorations for your matchday celebrations. The card shop will also be available in-game as soon as the FIFA Ultimate Team update is released. So expect new cards and decorations before the end of October. New events for the FIFA Ultimate Team mode, with new seasonal events and the option to play as your favorite football player (and win trophies). The upcoming seasonal events are: FIFA vs. N.Y.C.F.L. (new club skins for New York City Football Club, Atlético Madrid and Juventus) and FIFA vs. Real Madrid (new kits for Real Madrid, Atlético Madrid and Juventus). As soon as the seasonals are available, you will be able to play as your favorite players. FIFA Online FIFA 20 introduced the ultimate soccer experience in FIFA Online. With new intuitive user interfaces, improved digital avatars and sharper graphics, FIFA Online keeps building on its platform and platform-native gameplay elements to offer an experience like no other. The player experience has also been upgraded with the introduction of the new INSport Feel, which will be enabled in FIFA 22 for PlayStation 4 and Xbox One. FIFA Online features new leagues, with a flexible experience that allows players to join and create events at any time of the year. Customize your events by choosing the opponents, time, location and settings for any desired environment. The new Challenge of Champions mode allows players to play in the knockout
