FIFA, the world's leading video game brand and the most popular soccer simulation on consoles, is back with FIFA 22, the next entry in the award-winning franchise. The game is built around one goal: to reimagine the most immersive and authentic simulation of the beautiful game on any console. The game features three core game modes: FIFA Ultimate Team™, the new Club Matchday mode, and brand-new Moments. FIFA Ultimate Team puts players in control of their very own customizable dream team. Club Matchday is the fully reimagined matchday engine, providing a more connected and personal game experience with dynamic career and fantasy stories. And new Moments, a brand-new way of capturing and sharing the beautiful game's special moments and historic moments. FIFA 22 sets a new standard in gameplay, social features, and AI. The game introduces a brand-new 3D and 2D universe presentation system, new ways to pick, pass and shoot the ball with more dynamic controls, and over-the-top new player and ball physics to bring a new dimension of realism to the experience. FIFA 22 also introduces a new anniversary mode with in-depth storytelling, a varied and all-new collection of 360-degree photos and UHD videos, FIFA Moments, and more. FIFA 22 will be available worldwide for the Xbox One, PlayStation 4 and PC on October 23rd, 2021. The FIFA video game franchise has sold more than 250 million copies globally, with more than 80 million sold in North America alone. The popular simulation game franchise has won an unprecedented number of awards, including more than 30 Game of the Year awards and numerous BAFTA awards, and was named the Official Sports Game of the Year in 2013 by The Associated Press. FIFA is created by EA Canada. For more on FIFA and other EA SPORTS games, please visit www.ea.com/sports.
