Your Future In Industrial Fabrics & Accessories

Paskal - The industry Leader in Marine Canvas Fabric

Paskal is a world-renowned brand that specialises in developing and manufacturing high-quality **marine canvas fabric**. With over 40 years of experience in the industry, we have earned a reputation of trusted provider of customised marine textile solutions to all kinds of clients, from small boat owners to large commercial operations.

Our canvas fabric is designed to withstand all the challenging conditions that come with marine life, from saltwater corrosion to harsh UV rays. Not only is our fabric practical and durable, but it also boasts a variety of colours and patterns, giving you the freedom to design a vessel that truly reflects your style and personality.
